Workshop on setting Long term & short term goal event

Objective: Make students to have a road map and plan of action for their future

This activity was conducted to make the students have an idea of what they want to become in the life. To make them realize that it is not easy to achieve the set goals. In this regard they should break their long term goal in to achievable short term goals. Following activities were conducted.

- To dream their first vehicle, first salary and first designation. Objective of this exercise was to make them dream big.
- To write down on chat of paper their immediate goal and long term goal and keep it on the dais. Objective of this exercise was to refine and fine tune their objectives.
- Objectives should be objective and not subjective. This message reached the students.

• Motivational movies: Motivational movies of Jack Ma founder of Ali Baba, Sha-rookh Khan and Grammy award winner 13 year old handicapped boy Sparsh Shas was played. In between these people's struggle, passion, determination and sustenance were discussed. Students comments also solicited. Students realized and struggle these celebrities underwent before tasting the success. Sparsh Shah's example of Impossible to I'am Possible was touching.

Feedback was positive and all those students who attended the classes attended the program till the end. They also participated actively. They need more programs like this in future.

Placement training & assistance

Placement training plays a major role in shaping up the career goals of students. It is the dream of every student to get placed in a top organization. Keeping this aspect into consideration, it is realized that training is important for students to enhance their employability skills and achieve good placement in various industries.

At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. To meet out these requirements, the college has taken the initiative to provide placement training & assistance to the students through 7th semic academy.

The objective of the training is

- To look for 100% employment for all students.
- To enhance their communication skills.
- To build confidence in students and develop right attitude in them.
- To train the students to meet the expectations of the industry.

Training activities:

- Conduct online tests and written aptitude tests
- Train the students on group discussion techniques
- Various training programmes to train the students in the areas of quantitative aptitude, logical reasoning and verbal reasoning, personality development.

Guest Lecture on Stock market*

The Department of Commerce & Management organized a Guest Lecture on "Trading in Stock market" for the Students of BBA in the Auditorium on 28th August 2018 (Tuesday). The speaker for the guest lecture was Mr. Sagar U S, Financial Analyst.

Prof. Nagesha N S, Principal introduced the speaker and highlighted the relevance of the topic to the students.

A Stock Market is the aggregation of buyers & sellers of stock which represent the ownership claims on business, these may include the securities listed on a stock exchange as well as those only traded privately. Trade in stock market means the transfer of money of a stock or security from a seller or buyer which requires both the parties to agree on a price.

In this guest lecture, the resource person highlighted the importance of stock exchange and discussed the functions of stock exchange by providing the relevant information such as - how to trade and safeguard the activities of investors, how to inculcate the habit of savings, how to make stock market as a Profession, how to assess the growth of companies through real life situations and the like.

Today we are living in the age of multitudinous career options. Unfortunately, it has become a barrier to young students to decide on the domain they want to choose for their career and sometimes they fail to recognize the growth opportunities available and skills required for it. We know that every graduate is not fit for every type of job available. Wrong choice of a job is nothing but taking a wrong route to reach ones destination. Hence, it is the responsibility of every educational institution to assist the students to make a right choice for their career.

With this object in mind, the department of Hindi, SRM Adarsh College organized a Career Guidance program on 09th July 2021. Ms. Krishnaveni, Chief Manager, LIC, Basavanagudi branch, Bengaluru, a domain expert in the field of Life insurance with more than two decades experience was the resource person and she explained how life insurance sector is one of the fastest growing sectors in India with \$12 billion in the financial year 2021 until March and how it is growing with manifold. She urged all the students to look into this sector as a career option. She said that this sector offers unlimited earning potential, greater flexibility and how it can make a difference to their career if they are part of the leader of the sector namely Life Insurance Corporation, India. Also, the resource guided the students on required skills and knowledge needed to succeed in this sector.

REPORT ON WORKSHOP CONDUCTED BY YUVATHVA PAATASHAALA ON THE TOPIC RESUME BUILDING SESSION

A workshop was arranged to all the second year students of BCom, BBA, BCA by Placement and Career Guidance Cell in association with Yuvathva Paatashaala as a part of Career Guidance activity on July 08, 2022 on the topic "Resume Building Session".

The Resource Person was Mr Nandan Jog, a Freelancer and a Corporate Trainer.

Mr Nandan Jog briefed the students about how a resume to be built, what are all the aspects that are to be included, excluded, what needs to be highlighted and also mailed the students the template to prepare the Resume.

The objective of the program was:

- 1) To create awareness among the students how important a resume, when it has to showcased in front of an interviewer.
- 2) To encourage students to build their own resume with all their achievements in life.

Outcome of the program:

The students got to know about the format of a resume preparation and its execution for their future job search.
