CHALDEAN NUMEROLOGY

ABOUT

Chaldean numerology is an ancient Babylonian system that assigns numerical values 1 –8 (skipping 9 as sacred) to letters based on sound vibrations rather than alphabetical order .

It focuses on the name one is most known by and the birth date to analyze vibrational frequencies, often considered more mystical and astrologically linked than Pythagorean systems

HAVE YOU EVER WONDERED IF YOUR NAME HAS A HIDDEN MEANING OR SECRET NUMBER?

According to Chaldean Numerology, every letter in your name has a numerical value. When these numbers are added together, they may reveal certain personality traits, strengths, and tendencies.

KNOW YOUR SECRETS – CHALDEAN NUMEROLOGY

NUMEROLOGY CORNER

WHAT DO YOUR NUMBERS SAY ABOUT YOU?

Numbers are believed to carry vibrations and hidden meanings. In Chaldean Numerology, every letter and number has a value that may reveal certain aspects of personality, luck, and life patterns.

KNOW YOUR NUMEROLOGY – TRY THESE!

1. FIND YOUR NAME NUMBER.

Write your full name and convert each letter using the numerology chart. Add the numbers and reduce to a single digit.

Example:

RAKESH

R = 2 A = 1 K = 2 E = 5 S = 3 H = 5

Total = 18 → 1 + 8 = 9

2. FIND YOUR BIRTH NUMBER.

Example: 21/02/1994 = 2+8 = 10 = 1+0 = 1

3. FIND YOUR VEHICLE NUMBER ENERGY

KA 0 5 HU 1 1 3 6

2+1+0+5+5+6+1+1+3+6=30=3+0=3

4. FIND YOUR MOBILE NUMBER ENERGY

Add all digits of your phone number and reduce to a single digit.

5. FIND YOUR HOUSE NUMBER MEANING

Example: House No. 306

3 + 0 + 6 = 9

6. FIND YOUR ROLL NUMBER ENERGY

7. WHAT IS YOUR BUSINESS NAME NUMBER?

8. WHAT IS YOUR BIKE/CAR NUMBER MEANING?

NUMBER 1 - LEADERSHIP AND INDEPENDENCE

The primary lucky numbers for individuals born with number 1 (those born on the **1st, 10th, 19th, or 28th** of any month) are **1, 2, 3, 5, 7, and 9**. These numbers are considered harmonious because they complement the leadership and independent traits of number 1, which is ruled by the Sun.

POSITIVE TRAITS: Confidence, originality, ambition.

CHALLENGES: Can be stubborn, impatient, or dominating.

KEY LUCKY NUMBERS AND ASPECTS FOR NUMBER 1

- **Most Auspicious Dates:** The dates **1, 10, 19, and 28** are particularly lucky for starting new ventures or making major decisions.
- **Favorable Number Series:** Numerologists often recommend using numbers that sum up to your lucky digits, such as:
 - **Series of 1:** 1, 10, 19, 28.
 - **Series of 2:** 2, 11, 20, 29.
 - **Series of 7:** 7, 16, 25.
- **Best Partner Matches:** Number 1 is highly compatible with people born under numbers **3, 5, and 6**.
- **Number 3:** Provides light-heartedness to balance number 1's serious nature.
- **Number 5:** Offers adventure and excitement that complements 1's drive.
- **Number 6:** Offers grounding and emotional support.
- **Other Positive Matches:** Relationships with numbers **2, 4, and 9** are also considered favorable for growth and harmony.
- **Lucky Days:** **Sunday** is considered the most powerful day for number 1, followed by **Monday**.
- **Lucky Colors:** Bright, "Sun-like" colors such as **Gold, Yellow, Orange, and Red** are recommended.
- **Lucky Gemstone:** The **Ruby (Manik)** is the primary gemstone associated with number 1 to enhance energy and success.

- **Unfavorable Number 8:** Most numerology experts suggest avoiding number **8** (and dates like 8, 17, and 26), as it is ruled by Saturn and can lead to challenges, conflicts, or delays for those ruled by the Sun.
- **Neutral/Cautionary Numbers:** Numbers **4 and 6** can sometimes be seen as neutral or unfriendly depending on the specific numerology system used.
- **Lucky years of life:** when they can gain unexpected financial growth, promotion, their marriage, children or anything else which will be in favour to them are **1st year, 10th year, 19th, 28th, 37th, 46th, 55th, 64th, 73rd, 82nd and 91st**.

NUMBER 2 HARMONY AND COOPERATION

People born with numerology number 2 (born on the 2nd, 11th, 20th, or 29th of any month) have lucky numbers **1, 3, 5, and 6**, which bring positive energy and success. Their key lucky dates are 2, 11, 20, and 29, often finding harmony with numbers 8, 9, or other 2s, while 4 and 8 are generally considered unfavorable.

POSITIVE TRAITS: Kindness, patience, teamwork.

CHALLENGES: Over-sensitivity, hesitation, lack of confidence.

KEY LUCKY NUMBERS AND ASPECTS FOR NUMBER 2

- **Lucky Numbers:** 1, 5, 6, and 3 are favorable, providing good energy.
- **Lucky Dates:** 2nd, 11th, 20th, and 29th of any month.

- **Lucky Days:** Sunday is considered the most favorable day.
- **Compatible Numbers:** 1, 2, 5, 6, 7, 9 are generally friendly, while 3, 4, and 8 may cause unfavorable relations.
- **Lucky Colors:** Grey and shades of gray are highly recommended. Some interpretations also suggest white for balance.
- **Unlucky Colors:** Black and dark colors should be avoided.
- **Traits:** These individuals are often disciplined, practical, and hardworking (known as worker bees).
- **Lucky Years of life:** Significant opportunities often appear at ages 4, 13, 22, 31, 40, 49, 58, 67, 76, and 85.

NUMBER 5 FREEDOM AND ADVENTURE

In numerology, people "born with number 5" —meaning those born on the **5th, 14th, or 23rd** of any month, or those with a **Life Path 5** —are ruled by the planet **Mercury**. This number represents freedom, versatility, and intelligence.

POSITIVE TRAITS: Adaptability, enthusiasm, quick thinking.

CHALLENGES: Restlessness, impulsiveness, lack of stability.

KEY LUCKY NUMBERS AND ASPECTS FOR NUMBER 5

- **5, 14, 23, and 32** : These numbers represent the core vibration of the person and are considered inherently lucky for dates, years, or important decisions.
- **1 and 6:** These are highly harmonious with Mercury. 1 signifies leadership and initiative, while 6 brings balance and domestic harmony to the restless nature of a 5.
- **3 and 9** : Many numerologists consider these friendly numbers that support the creative and social energy of a number 5.
- **8:** While sometimes viewed as a complex relationship, number 8 is often seen as a "wealth magnet" and a friendly number for 5s in matters of business and finance.

- **Lucky Days:** **Wednesday** is the most favorable day, as it is ruled by Mercury. **Fridays** and **Saturdays** are also considered beneficial.
- **Lucky Colors :** **Green** is the primary lucky color (representing growth), followed by **Turquoise, White, Silver,** and light shades of **Grey**.
- **Lucky Gemstones:** **Emerald** is the most powerful stone for number 5s.
- **Numbers to Avoid :** Many experts suggest being cautious with the number **2** (Moon), as it can clash with the fast-moving energy of Mercury and cause emotional inconsistency
- **Lucky Years of life:** The most significant years in a number 5's life are often those that reduce to 5 (e.g., 5th, 14th, 23rd, 32nd, 41st, 50th, 59th) or those that reduce to 1 (10th, 19th, 28th, 37th, 46th).

NUMBER 6 LOVE AND RESPONSIBILITY

People born on the 6th, 15th, or 24th of any month are governed by Venus (Number 6), making their most lucky numbers **6, 5, 3, and 9**. These individuals, known for charm, luxury, and care, often find success with dates adding up to these numbers and on Fridays.

POSITIVE TRAITS: Compassion, loyalty, sense of duty.

CHALLENGES: Over protectiveness, taking too many responsibilities.

KEY LUCKY NUMBERS AND ASPECTS FOR NUMBER 6

- **Lucky Numbers:** 6, 5, 3, 9, 15, 24.
- **Compatible Numbers:** 3, 4, 5, 8, 9.

NUMBER 8 POWER AND SUCCESS

For people born with number 8 (on the 8th, 17th, or 26th of any month), the lucky numbers are generally **2, 3, 5, and 6**. These numbers represent harmony, balance, and friendship, often mitigating the intense, slow-reward energy of their ruling planet, Saturn.

POSITIVE TRAITS: Determination, confidence, organizational skills.

CHALLENGES: Materialism, work pressure, strictness.

KEY LUCKY NUMBERS & ASPECTS FOR NUMBER 8

- **Lucky Numbers:** 2, 3, 5, 6, and 8 itself.
- **Lucky Dates:** 1st, 10th, 19th, and 28th of any month.
- **Lucky Colors:** Dark blue, black, grey, and purple.
- **Unlucky Numbers:** 1, 4, 7, and 9 are considered unfriendly or challenging.
- **Actionable Advice:** Write the number 24 in blue ink on your left -hand palm (Venus mount) for abundance, or 23 in green for health, say popular numerology beliefs.
- **Compatible Days:** Saturdays and Thursdays are considered highly auspicious.
- **Gemstones:** Blue sapphire is often recommended, but always consult a professional expert first.
- **Lucky Years:** 8th, 17th, 26th, 35th, 44th, 53rd, 62nd, and 71st year of life.

Note: In numerology, number 8 represents Saturn (Shani), which often brings success through hard work, discipline, and patience rather than instant luck.

NUMBER 9 HUMANITY AND COMPASSION

People born with Psychic/Birth Number 9 (on the 9th, 18th, or 27th of any month) are ruled by Mars, making their primary lucky numbers **9, 3, 5, and 6**. These numbers bring success, prosperity, and harmony to those who are often ambitious, courageous, and philanthropic leaders.

POSITIVE TRAITS: Empathy, generosity, creativity.

CHALLENGES: Emotional sensitivity, self-sacrifice
